

PLANT A TREE AND GET OXYGEN FOR FREE

COLOUR ME GREEN _ Mother Earth

COVID 19 has taught us that health plays a major role. Our health is directly linked with the environment. Now we are realizing the importance of a lot of things (trees, oxygen ,pollution control etc.) which we have been taking for granted .

So let's join hands & plant more trees.

LET'S CELEBRATE VAN MAHOTSAV

Key points for the activity:-

*** Plant a sapling or hug a tree (with your mask on)**

*Click a picture while planting/hugging (in your school uniform)
You can accessorize yourself with paper badges, crown, mask etc or hold a placard to make your picture more interesting.

Guru Nanak Higher Secondary School is organizing activities on the occasion of VAN MAHOTSAV.

* Poem Recitation (I-III)

* Speech Competition (IV- V)

Topics/theme-

*Class I-III - Greening Motherland

*Class IV - Trees for life

*Class V - Reconnecting with Nature

Key Points

*A video of 2.30 to 3 minutes should be shot and sent to your respective Class email Id
